Important HSA Transfer Information

Eligibility for HSA Transfer	You may only transfer funds into a Mercer Marketplace/WEX Inc. HSA from an HSA, Archer Health MSA or IRA. You may only transfer funds if you are the accountholder of the transferring HSA, Archer MSA or IRA, the surviving spouse of a deceased account holder or the former spouse of the accountholder who is receiving an interest in the HSA, Archer Health MSA or IRA pursuant to a divorce or separation agreement.
One-Time Transfer from a Roth or Traditional IRA to an HSA	IRA transfers count toward and are limited to your maximum HSA contribution for the year. The amount of your IRA transfer is not allowed as a deduction. Your funds will be returned in the event that the deposit amount, when added to your total cumulative year-to-date contribution, exceeds the maximum annual contribution threshold as determined by the IRS. Generally, only one transfer may be made during the lifetime of an individual. Penalties may apply if High Deductible Health Plan (HDHP) coverage does not continue for 12 months. This transfer option does not apply to SEP or SIMPLE IRAs.
Excess Contributions	You are not permitted to transfer excess contributions from an HSA, Archer Health MSA or IRA to a Mercer Marketplace/WEX Inc. HSA. All transfer funds will be coded as a transfer contribution. If excess contributions are transferred to the Mercer Marketplace HSA it is your responsibility to notify Mercer Marketplace and request a withdrawal of the excess amount. There may be additional IRS tax penalties when excess contributions are transferred to the new HSA.
Investments	Your HSA will be invested as provided under your HSA arrangement with Mercer Marketplace/WEX Inc.
Additional Information about HSAs	See IRS Publication 969 Health Savings Accounts and other Tax Favored Health Plans for additional information about HSAs. This publication is available free from the Internal Revenue Service website: www.irs.gov .
